

## World Archery Development

### 2014 criteria of the application process to some assistance in archery equipment

Lausanne (SUI) – 30 January 2014

#### 1. Eligibility

- A list of Member Association eligible to apply to some WA equipment assistance will be made every year
- Only the Member Associations in good standing with WA, which have submitted a Strategic Development plan are eligible to be on this list. Examples of plan are available on the World Archery Website: <http://www.archery.org>
- Member Associations in good standing with World Archery may be added to this list at any time, just by sending their strategic development plan to the WA office.
- Member Associations may be removed from this list if some changes occurred for some countries: *Membership removal, IOC sanction, new board, new plan/project, etc.*)
- World Archery will keep updated a World List of Member Associations eligible to APPLY to some equipment assistance. The updated version of the list is posted on the WA website.

#### 2. Benefits of being on the list

Once on the list, a Member Association (M.A.) is eligible to apply to equipment assistance from WA and its partners. The content of the application sent to WA (only) must be in line with the submitted strategic development plan submitted by the M.A. Two types of assistance are available:

- a. an equipment donation from WA without or with the assistance of one or several Development Fund Partners (DFP)
- b. a discount on an order made to a DFP through WA.

#### 3. Application to equipment assistance

- When a request of equipment assistance is addressed directly to World Archery, only the applications from countries from this list will be considered.
- When a positive answer is given to a valid request of equipment assistance that has been directly addressed to World Archery, the type of granted assistance is indicated:
  - an equipment donation made by WA (with/without DFP)
