Confirmation of Quota Places

By December 15, 2014, the COPARCO/WAA Continental Federations (CFs) will confirm to NOCs and member Federations the number of quota places they have achieved from the first two qualification events.

Within seven days after the last qualification tournament, the CF will confirm the total number of quota places they have achieved from all qualification events to NOCs and member Federations.

Seven days after the announcement of the award places (both individual and team), each NOC must confirm the number of places they will use to the CF.

Reallocation of Unused Quota Places

If necessary, the CF will reallocate unused places to the next-ranked eligible NOC from the last qualifier (from fifth place down).
